DOCKET NO: S-03415A-01-000

TO ALL PARTIES:

I, James Cicerelli am filing an exception to the recommendation to the administrative law judge that James Cicerelli filed documents on January 31, 2002, which at the last hearing Law Judge Philip Dion III would except any and all exhibits I had to offer.

According to Law Judge Philip Dion III dated August 15, 2002 that those documents will not be considered in making a decision in this matter. I urgently urge you to use correct facts, figures of documentation to make any justifiable decision in this matter.

Hopefully I will have some say in this matter.

James Cicerelli
